

Health Reminder App

Ever Forget to Take Your Meds?

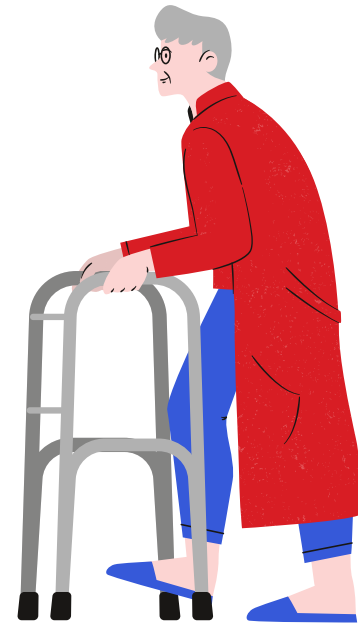

Be honest—how often do you:

- **Forget to take your pills on time?**
- **Skip a dose because you're too busy?**
- **Mix up your medications and get confused?**

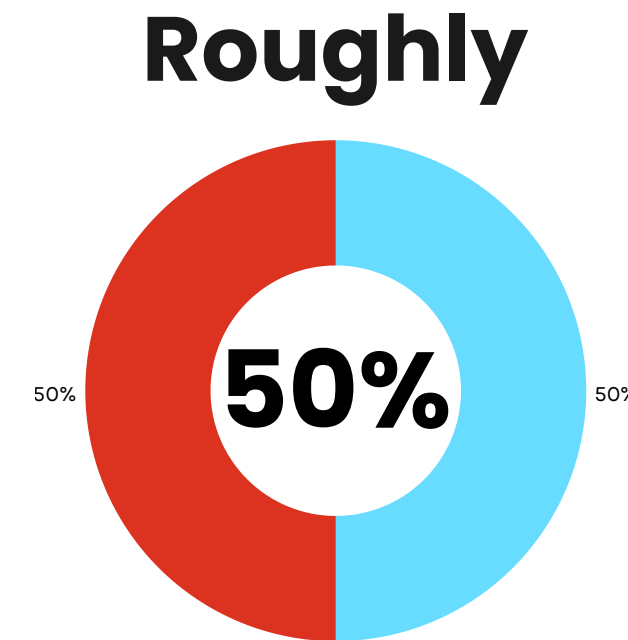

FORGETFULNESS: THE OTHER DRUG PROBLEM

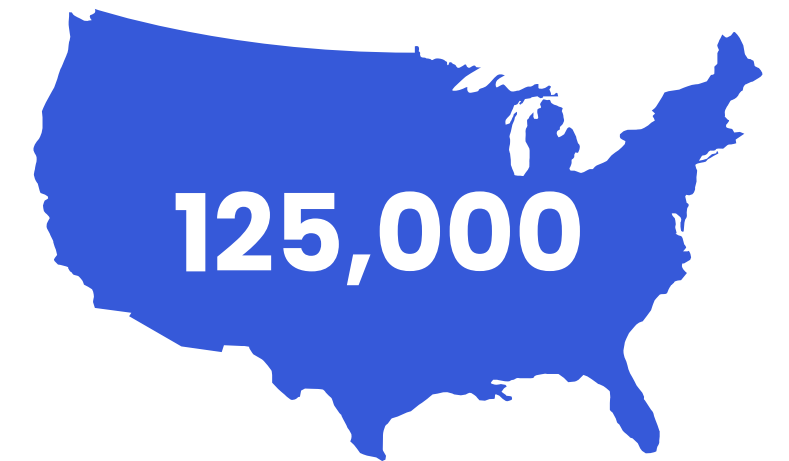

32 MILLION
American take 3
or more pills
every day

57% or seniors
forget to take
their medications

of prescriptions
are **taken**
incorrectly

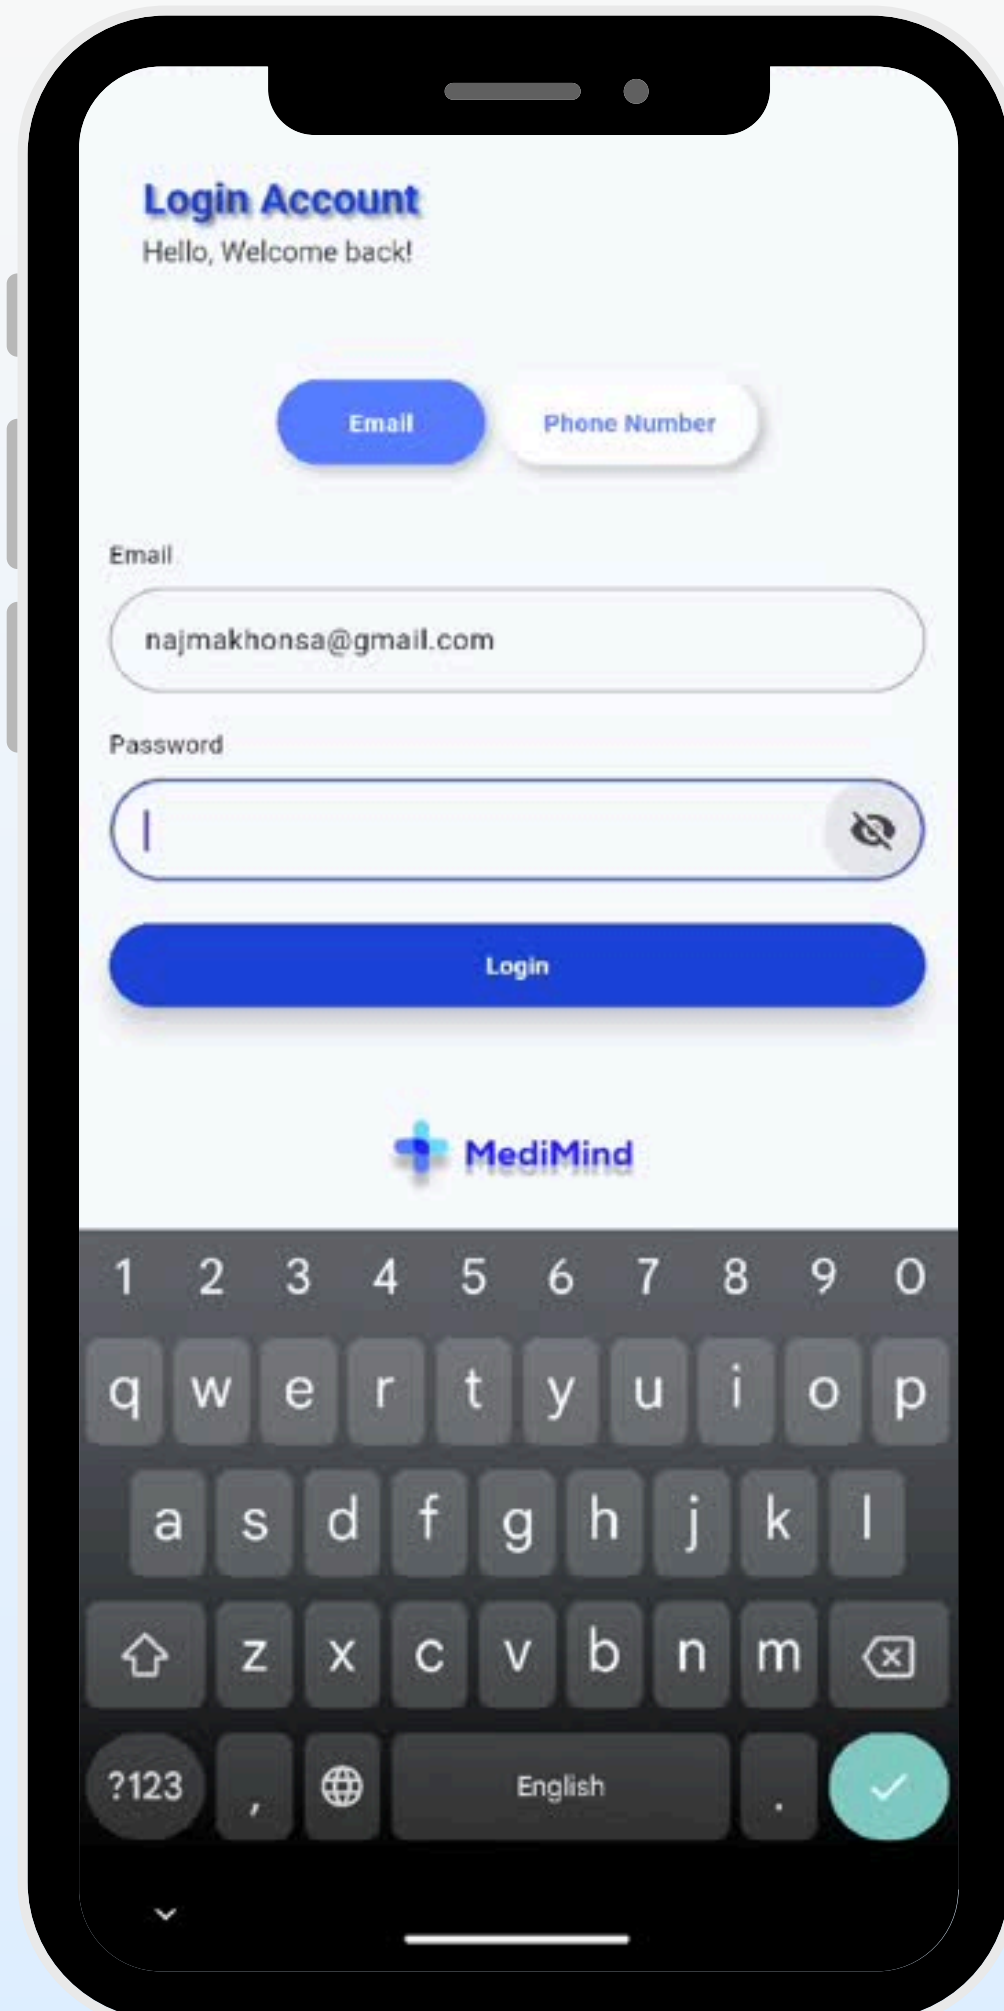

Annual number of
deaths in the U.S.
from improper taking
of medication
